- Value Partners Health Care Fund (the "Fund") primarily invests in equities and equity-related securities in healthcare companies on a worldwide basis.
- The investments of the Fund are concentrated in the health care sector which are subject to greater influences from government policies and regulations than those of other industries. The value of the Fund may be more volatile than that of a fund having a more diverse portfolio of investments.
- Investing in PRC market exposes the Fund to additional risks including currency repatriation risk, uncertainty of taxation policies and risk associated with StockConnects. The Fund may also expose to RMB currency and conversion risk.
- Investing in small/mid-capitalization securities may have lower liquidity and their prices are more volatile to adverse economic developments.
- The Fund may also invest in derivatives and debt securities that are below investment grade or unrated which can involve material risks, e.g. counterparty default risk, insolvency or liquidity risk, and may expose the Fund to significant losses.
- You should not make investment decision on the basis of this marketing material alone. Please read the prospectus for details and risk factors.

Investment objective

The Fund aims to achieve long-term capital growth by investing primarily in equities and equity related securities in healthcare companies, such as pharmaceuticals, biotechnology, healthcare services and medical technology and supplies, on a worldwide basis.

[△] The Fund is one of the eligible collective investment schemes for the purpose of the New Capital Investment Entrant Scheme (New CIES) in Hong Kong with effect from 1 March 2024.

[△] Annualized return is calculated from inception based on published NAV.

Performance is calculated on NAV to NAV in base currency with dividend reinvested and net of fees. All indices are for reference only. Past Performance is not a guide to future performance and may not be repeated. The value of investments and the income from them may go down as well as up and investors may not get back the amounts originally invested. Exchange rate changes may cause the value of any overseas investments to rise or fall. The on-going charges are the fees the Fund charges to investors to cover the costs of running the Fund. Additional costs, including transaction fees, will also be incurred. These costs are paid out by the Fund, which will impact on the overall return of the Fund.

1. Value Partners Health Care Fund is a sub-fund of Value Partners Ireland Fund ICAV (formerly Value Partners Ireland Fund plc), is an umbrella scheme with segregated liability between sub-funds authorised by the Central Bank of Ireland ("Central Bank") as an undertaking for collective investment in transferable securities pursuant to the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011. The ICAV is authorised and supervised by the Central Bank. Authorisation by the Central Bank shall not constitute a warranty as to the performance of the ICAV and the Central Bank shall not be liable for the performance or default of the ICAV. 2. Exposure refers to net exposure (long exposure minus short exposure). Derivatives e.g. index futures are calculated based on P/L instead of notional exposure. 3. Cash includes receivables and payables (except cash for collaterals and margins). 4. Classification is based on Global Industry Classification Standard (GICS). 5. Volatility is a measure of the theoretical risk in terms of standard deviation, based on monthly return over the past 3 years. 6. Class RDR Shares are only available for subscription to certain financial intermediaries or institutions for their investment services, which are exclusively remunerated by their clients, and either have separate fee based advisory arrangements with their clients or provide independent advice or discretionary portfolio management; or other investors or intermediaries at the Directors' or their delegates' discretion. 7. The House Awards recognize managers of various asset classes and strategies for delivering sustained, consistent outperformance on a risk-adjusted basis while maintaining excellence in Benchmark's pillars. The strategy with the highest final score in its peer group wins the "Best-in-Class" award. 8. For Hong Kong investors only.

For Distribution in Singapore: The Fund is registered as a restricted foreign scheme in Singapore and will only be distributed to (i) institutional investors and (ii) accredited investors and certain other persons in Singapore in accordance with section 304 and 305 of the Securities and Futures Act.
